

## MASTERPLAN OBJECTIVES

- Provide planning and design direction for Council to deliver open space recreation improvements to Clontarf Park to benefit the social and recreational needs of the community;
- Conserve the environmental, natural and cultural heritage, and scenic values of Clontarf Park;
- Address key considerations including parking, connectivity, accessibility and inclusion, public safety, amenity, and sustainability for future use and ongoing management;
- Work closely with key stakeholders including the Clontarf Community Forum, engage with the broader community, and incorporate valid feedback in the development of the Landscape Masterplan.
