

**Project Information:**

Council is proposing to upgrade the existing footpath on the eastern side of Roseberry Street between Balgowlah Road and Koorala Street to a 2.5m wide shared path.

This project will provide a more accessible and desirable environment for people to walk or bicycle to the retail outlets and businesses along Roseberry Street. A wider path will provide more space for prams, strollers, mobility scooters, wheelchairs and bicycles.

This project is not expected to impact on-street parking or existing street trees. Shrub vegetation encroaching into road reserve may be impacted.

This project is in line with Council's *Move - Northern Beaches Transport Strategy* and the *Northern Beaches Bike Plan*.
